

Makes The Hair Grow

We are talking about Ayer's Hair Vigor. Just note that word "Ayer's." You are perfectly safe with it. No harm to you or to your hair. Makes the hair grow? It certainly does. Stops falling hair, too. Remember, it's "Ayer's" we are talking about. Ask your doctor about your hair and about Ayer's Hair Vigor. Get his approval. Your own doctor and "Ayer's" make a strong combination. It means faith, confidence, satisfaction.

WALKING RACE TO BE GALA AFFAIR

The preliminary meeting in connection with the fourth annual Kala-kana avenue walking race was held at the Young Hotel last night and was well attended.

The date was set for December 17, and it was decided to have four events on the program, as follows:

Open walking race.
Fat men's race.
Veteran's race.
Race for Japanese wearing wooden clogs.

All these races will be over the same course viz: from the corner of King street and Kalakaua avenue to Billy Bergin's place at Waikiki.

The age limit for the veteran's race will be fifty years and the weight limit for the heavyweight 210 pounds.

The Japanese race will be judged by the editors of the local Japanese newspapers.

The Japanese race will be started at 2 p. m., the fat men's and heavyweights' races at 2:30 and the open walk at 3:15.

The course over which these events will be contested is just 100 yards short of a mile and three-quarters.

Entries will open on December 1 at the store of E. O. Hall & on and will close on December 17. Each entrant will pay an entrance fee of 25 cents, which will be used to defray incidental expenses in connection with the day's sport.

The officials of the day will be as follows:

Mayor Fern, starter; course judges, Lorrin Andrews, V. L. Stevenson, Lester Petrie, C. G. Bartlett and W. Drake; finish judges, W. Bergin, A. McDuffie, D. H. Davis and Dr. K. F.

Li; timers, W. R. Chilton, Ben Holinger and Frank Kruger; announcer, J. Anderson; committee on prizes, H. M. Ayres, Sam Hop; clerk of course, Harry Murray.

Lorrin Andrews is a committee of one to arrange for the use of the Y. M. C. A. building as a headquarters for the candidates training for the races.

The usual elaborate list of prizes will be provided and the following special prizes will be offered:

Prize for the first service man to finish, prize for the first Hawaiian to finish, prize for the first Chinese to finish, prize for the first Japanese to finish. While it is expected that Anton Kaoo will compete in the open walk, he will be barred from the special prize, as the idea of offering this prize is to encourage some of the less expert walkers.

It is intended to hold weekly training walks up to the day of the race and particulars of these will be announced later. It is probable that, if permission can be secured, these walks will start from the Y. M. C. A. and finish there, the institution being used for dressing purposes.

Much interest is being manifested in the race this year and it is expected that it will attract a record number of entries.

Most of the walkers who have figured in the past three contests will start again and a number of new ones will take part in the race, notable among the latter being P. Maurice McMahon, who has already started light training. McMahon was a champion walker in the Old Country a dozen years ago, and is the holder of the 440-yards straightaway running record of the islands.
